### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: in the Abstract, replace "comprises" with – includes – at line 2.

2. The following is an examiner's statement of reasons for allowance: the record of prior art does not show a stator comprising a plurality of identical spaces between adjacent two of the stator teeth; bolts that extend through the identical spaces of the stator core in a direction parallel with the common axis; a molded plastic that fills the identical spaces of the stator core; and a plurality of elongate plate bars that extend in the identical spaces through the molded plastic respectively, each elongate plate bar extending in parallel with the common axis and being constructed of a magnetic material that has an electric resistance higher than the bolts as claimed in claims 1, 11 and 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dang D Le whose telephone number is (571) 272-2027. The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darren Schuberg can be reached on (571) 272-2044. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
